I wanted to draw everybody's attention to the excellent work of [Simon F. Davies](#), one of my colleagues at the University of Sussex, who has produced a **fantastic** Open Educational Resource on teaching poetry to undergraduates. Were I deploying *meiosis* I'd say this was pretty good. As it is, and this isn't *hyperbole*, it's bloody great.

Here are the links. If you want an ePub version, that's available on [Simon's site](#):
