This is a quick note to say that, in the near future, I will be abandoning the martineve.com domain name. For quite some time now, the primary address for this blog and site has been <https://eve.gd>. I know that cool URLs don't change. But I guess I am not totally cool.

Perhaps most importantly: the email address martin@martineve.com will very soon not belong to me. Please use martin@eve.gd or martin.eve@bbk.ac.uk to contact me.

So long trusty domain, and thanks for all the fish.
